PRESENTATION OF CHRIST GREEK ORTHODOX CHURCH

JULY 2021

The heat of summer matched by the heat of the church kitchen can only mean one thing: East Pittsburgh Greek Fest, our beloved Ypapanti festival, is right around the corner.

Moving from the challenges of the last 15 months to this event means adapting to the circumstances around us, so that this, and all our endeavors, can thrive.

Our Parish Leadership, along with Festival Co-Chairs Tasso Athans and Mary Doreza, continue to make adjustments to our hybrid festival approach with your safety as the top priority.

Whatever the final format looks like, this year's festival will be another opportunity for our parish family to show our resilience, our malleability in the face of challenges, and our renowned hospitality.

As we have done so many times in the past, let's gather together behind this cause that we believe in, shoulder through, and glorify God with yet another successful and enjoyable Greek Fest!

See you at Church, and at the Fest!

Teamwork

It is hard to believe July 4 is already here. Along with a celebration of America's Independence; it also means that our food festival is right around the corner. Although the food festival is a lot of work it is also a great time to develop friendships and memories. This year in particular is going to be exciting as we bring back a hybrid food festival. Our goal is to bring the excitement and celebration that only Ypapanti knows how to do! We are going to have the music, dancing, and food outside; while keeping the inside set up for takeout orders like last year.

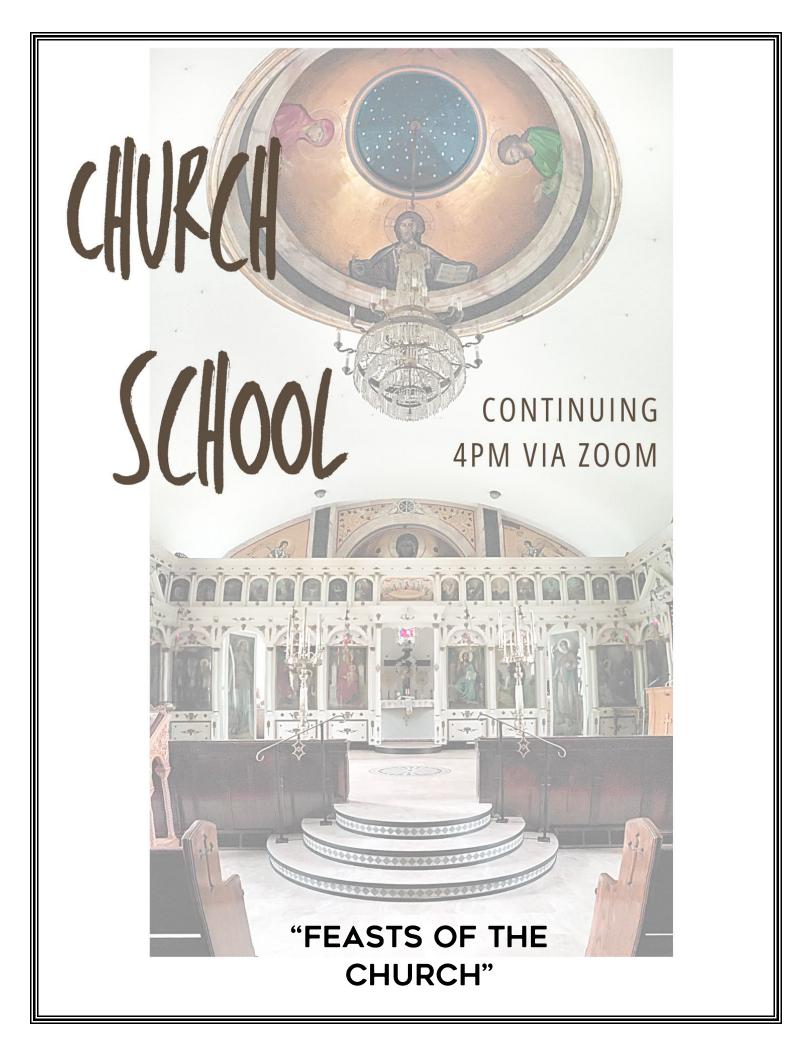

Our festival is so important to our church community. The teamwork that is required to do a festival whether it is setting up tables, cooking food, serving patrons, etc. is important in developing bonds and building trust within our own community.

It is amazing to see everyone in at Ypapanti pulled together to achieve something that none of us could do

alone.

I like everyone else in the community is excited to be part of such a spectacular celebration. Hearing the Greek music, dancing, food and drink leads me to think of one thing... OPA!!!
